Dear Jay Gloomis:

After review of DENSO's Personal Delivery Device (PDD) application, the Pennsylvania Department of Transportation (PennDOT) approves DENSO's request to operate in the City of Pittsburgh on the routes noted in the application. Please note that this authorization is for Operating Phase 1 per §3.3 of PennDOT's PDD Operations Policy. Please refer to §3.3.1 for the transition process from Operating Phase 1 to Phase 2. Per Title 75 requirements, PennDOT will update our website to reflect the appropriate phase of operation.

All PDD operations must be in accordance with the application, PennDOT's PDD Operations Policy, and Title 75, Chapter 85, Subpart C. Please keep this letter as proof of authorization.

Please be aware that the term of this authorization is limited to one-year. The term shall begin on the date this letter is signed, and end on the same date the following calendar year. Please note that your authorization may be renewed yearly by following the same procedures you followed to apply initially.

Thank you for your cooperation in this process, and we look forward to continuing to work with you. Should you require additional information or have any questions, please contact Derrick Herrmann, P.E. at 717.783.8823 or deherrmann@pa.gov.
