City of Pittsburgh Sidewalk Gaps
Irvine Street
City of Pittsburgh
Allegheny County
December 2021
This project consists of the replacement of existing sidewalk, curbs, curb ramps, and driveway aprons along SR 885 (Irvine Street). The project begins approximately 250 ft. north of the intersection with Hazelwood Avenue and extends north to the intersection with Greenfield Avenue.
• The right lane of SR 0885 (Irvine Street) in the northbound direction will be closed in areas of sidewalk repairs. Channelizing devices will be used to close the lane.
  • The lane will be closed in phases between Minden Street and Greenfield Avenue as construction progresses, i.e. the lane will not be closed for the entire distance throughout the duration of construction
• Flagging may be used at times during construction.
• Access to all homes and businesses will be maintained during construction
