What is a Park Master Plan??

- ▶ Community-driven process to create a vision for the Hill District Parks and define the necessary components and steps to achieve it
- ▶ Includes conceptual design, phasing plans with cost estimates
- ▶ Makes it easier to get grant funding or budget requests for design & construction
- ▶ Includes thorough review of past plans and community needs
- ▶ Includes public engagement process in line with Public Engagement Guide
- ▶ Recent examples in Emerald View, South Side Park, and Sheraden Park

Next Steps

- ▶ Finalize Advisory Committee selection
- ▶ Initial site visit by consultant team to tour the neighborhoods and parks, perform inventory work, and connect with members of the community.

THANK YOU!
